H&S BRIEFING

For information

Issue Date: 17/12/15

Information

The purpose of this Alert is to update you on the progress made with regards to the Fluorescent Tube Amnesty. We would like to thank all schools that replied to the request for figures on the number of spent tubes at your premises.

All schools will be individually informed of the collection date from your particular site in mid-January

Target Audience

- Heads of Service Education
- Head Teachers
- School caretakers

Action to be taken

Please be resilient and continue to safely store the spent fluorescent tubes on your site in readiness for collection
