COUNCIL REFERENCE ENF2023/0104

1. **THIS NOTICE** is issued by the Council because it appears to them that there has been a breach of planning control under Section 171A(1)(a) of the Town and Country Planning Act 1990 at the land described below. They consider that it is expedient to issue this Notice having regard to the provisions of the development plan and all other material planning considerations. 2. THE LAND TO WHICH THIS NOTICE RELATES

4. REASONS FOR ISSUING THIS NOTICE

It appears to the Council that the above breach of planning control has occurred within the last four years.

1. The new building does not provide acceptable drainage features and infrastructure such as a sustainable drainage system and does not incorporate environmentally sympathetic flood risk mitigation measures. As such, the new building will lead to an increase in water run-off from the site and increases the risk of flooding in the area through water displacement, thereby adversely affecting the safety and the amenities of neighbouring properties and land. The building is therefore contrary to Policies PS2 and RP5 of the Swansea Local Development Plan 2010-2025

5. WHAT YOU ARE REQUIRED TO DO

2. Remove all the resultant materials from the site
