Notes:-

Wall runs approximately 1km from rear of Brynmill Lodge to Gower Road.

Rubble wall to Singleton Estate, probably raised to current height mid C19. Evidence of several phases of building in rubble of different sizes and with different copings. Inscribed stone (to S of D-shaped recess) roughly opposite Malvern Terrace has possible date 1893 (?) and other figures, perhaps dates. Some short sections of the wall reduced to foundation level and bear iron railings. Mostly round copings in slag bricks (some repair in concrete), some copings in stone, some in stones laid on edge.

Listed for group value with other buildings in Singleton Estate.
