Re: Equality Act 2010 – List of designated vehicles – (insert plate number)

On the 6th April 2017, Sections 165 and 167 of the Equality Act 2010 became effective.

Section 167 of the Act provides the Licensing Authority with the powers to make lists of wheelchair accessible vehicles (i.e. “designated vehicles”), and Section 165 of the Act then requires the drivers of those vehicles to carry passengers in wheelchairs, provide assistance to those passengers and prohibits them from charging extra.

The requirements of Section 165 do not apply to drivers who have a valid exemption (All licensed drivers are receiving a letter containing information on exemptions).

The purpose of this letter is to inform you that the Licensing Authority has determined to publish and maintain a list of designated vehicles and that your vehicle (INSERT PLATE NUMBER, MAKE AND MODEL) is proposed to be specified on that list. Vehicle proprietors have the right of appeal to the Magistrates’ Court, Grove Place, Swansea, within 28 days of receipt of this letter against the decision of the Local Authority to include their vehicle on the designated list.

If you decide not to appeal against the proposal, or if you appeal and the appeal fails, then your vehicle will be included on the published designated vehicle list, which the Licensing Authority will implement on the 30th November 2017.

If you have any queries or would like to find out more information in relation to this matter, please check out the information at :
