ENFORCEMENT NOTICE

OPERATIONAL DEVELOPMENT

The Town and Country Planning Act 1990 (as amended)

ISSUED BY THE CITY AND COUNTY OF SWANSEA (“The Council”)

COUNCIL REFERENCE ENF2019/0336

1. **THIS NOTICE** is issued by the Council because it appears to them that there has been a breach of planning control under Section 171A(1)(a) of the Town and Country Planning Act 1990 at the land described below. They consider that it is expedient to issue this Notice having regard to the provisions of the development plan and all other material planning considerations. The **annex** at the end of the Notice contains important additional information.

2. THE LAND TO WHICH THIS NOTICE RELATES

Land at 6 St Christophers Court Maritime Quarter Swansea SA1 1UA in the City and County of Swansea (“the Land”), shown edged red on the plan appended hereto (“the Plan”).

3. THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL

Without planning permission, the installation of patio doors to the ground floor replacing a garage door.

4. REASONS FOR ISSUING THIS NOTICE

(i) It appears to the Council that the above breach of planning control has occurred within the last four years.

(ii) Whilst the works undertaken would usually be permitted development under the Town and Country Planning (General Permitted Development) Order 1995 (As amended) in this instance Permitted Development rights were removed by way of planning permission 2004/0960 under Condition 7, which reads:

7. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995, (or any Order revoking or amending that Order), Classes A, B, C, D, E, F, G, H of Part 1 and Classes A and C of Part 2 of Schedule 2 shall not apply.

(iii) The property forms part of a row of terraced properties with a consistent design whereby each pair mirrors the other. Each front elevation includes a garage which projects forward with a balcony incorporated at first floor level. The garage door was therefore an integral design feature within the overall scheme, and its removal weakens the design concept. It is considered that the replacement patio doors are a discordant feature within the streetscene which

fails to respect the character of the host property and wider streetscene contrary to Policy PS2 of the Swansea Local Development Plan (2010-2024) and the guidance contained within the Supplementary Planning Guidance 'Planning: A Guide for Householders' Version 3 (May 2020).

5. WHAT YOU ARE REQUIRED TO DO

- (i) Remove the patio doors on the front elevation at ground floor level.
- (ii) Reinstall the garage door in the same colour, design and materials as that which was removed.
- (iii) Remove all waste materials arising from the above operations from the land.

6. TIME FOR COMPLIANCE

Six months beginning with the day on which this notice takes effect.

7. WHEN THIS NOTICE TAKES EFFECT

This Notice takes effect on the 21st March 2022, unless an appeal is made against it before that date.
